Map information provided by Back Country Horsemen of East Tennessee...please support our organization by becoming a member.

- Total distance is 6.3 miles (2.5 – 3.5 hour ride) with elevation change of 1550 feet. Trail is in good shape. Few areas where fear of heights may bother some people.
- One of the most scenic trails in area with mountain views, open hardwood forest, wildflowers, wildlife & high elevation views overlooking the French Broad River.
- Park in the horse trailer parking area (about 1 miles passed car parking area).
- As you ride back west on the Weaver Bend Road, the horse trail entrance to Paint Mountain Trail 7 is about 0.25 miles passed the car parking area.
- Signage is fairly good but GPS is recommended. GPX track file is available on BCHET website. If your GPS unit has the capability, you can download the .gpx file into your GPS to guide you on your ride.
- To get to the horse trailer parking area, take Bush Creek Rd. off of 107. At Y in road go left across bridge. Refer to National Geographic Map 782.
